PG 450 Grinder/ Polisher

120V - 575RPM
2 HP - 19 Amps
HV5450

240V - 705RPM
3HP - 13 Amps
HV5450-240

PG 450 is a versatile and user-friendly planetary floor **grinder** and **polisher**. Perfect for a wide range of applications, e.g. coating removal, concrete grinding and concrete polishing. With its **18 inch** grinding width it is excellent for both small hard to get to areas, as well as larger surfaces. It is ideal for rental and both professional and semi-professional applications due to its many self-adjusting benefits. 1-phase means it is suitable for industrial and domestic applications. It can easily be folded and divided without tools for transport and storage.

- 120V model - 2 HP, 575RPM
- 240V model - 3 HP, 705RPM
- Designed for projects up to 1,500 sq. ft.
- The planetary drive guarantees a flatter surface
- Dust control with self-adjusting dust ring
 - Detachable chassis/frame for easy transport
 - Speed and direction are fixed, making for simple operation
- Counter-rotation
- 152 lbs. grinding pressure
- 9 grinding segment capacity
- 1-Phase power supply
- 10kW generator recommended
