Hardwood
4 Times Faster*

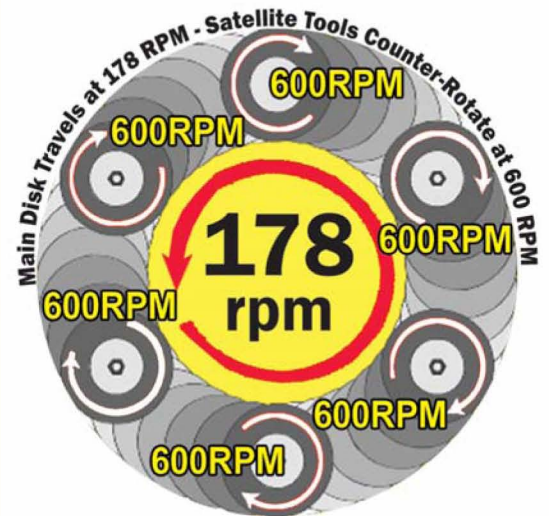

KA1606 - 16" Satellite w/ 6 Heads

KA1607 - 19" Satellite w/ 9 Heads

- Sands Parquet, Medallions, Borders to a Piano Top Finish using Fine Finish Pucks
- Will not remove Spring Wood
- Rough Sanding, Strip Floors (24, 36, 40 grit) and Plywood Joints, use Soft Grain Pucks
- Sand new Strip Floors 40, 60, 80, 100, 120 gr.
- Remove Chatter Marks & Edger Marks with 80 grit and Fine Finish Pucks
- 4 times faster than Hard Plating, cuts out Chatter Marks and Edger Digs
- Waffle Discs and the Satellite achieve that perfect flat floor for Medallions, Borders or Inlays without the cross grain scratches or Dish Out

How Does It Work?

- Dual Direction Orbital Action Sanding, Stripping, Grinding, Scarifying, and Polishing
- 6 Counter-Rotating 4" Heads turn 600 RPM
- 4X faster than conventional tools
