

DRUM PAPER ROLLS 8-12"

Best On The Market

• Best Quality "F" Weight Paper

We use only "F" Weight Paper Backing - Not "E" Weight Paper used by other budget manufacturers.

• Best Pricing Anywhere

• Longest-lasting

Heavier weight paper lasts 5 times longer than standard sandpaper, for less tear out and better grit retention.

• SIC Silicon Carbide Paper

Fast cutting Silicon Carbide mineral leaves a great finish! Brittle mineral fractures easily when loaded creating new sharp cutting edges. SIC is widely used on wood floors and provides consistency, value and performance.

X TREME CLOTH ROLLS 8-12"

Extremely durable and tear resistant making them perfect for large jobs like Gym floors and commercial buildings. The longer life allows less changing and better productivity. Cloth with double resin bond prevents mineral loss while the abrasive cuts faster and runs cooler.

X TREME SILICON CARBIDE CLOTH - ULTRA FINE FINISH

Brittle mineral fractures easily when loaded creating a new sharp edge. Cuts fast and stays sharp. Best for fine finish, dark stains, pines and very hard species. 12-36 grit removes old gummy finishes, waxes and paint. Fractures at low pressure allowing the belt to clean itself. 40-60 grit for leveling and removing deep scratches. 80-120 grit for fine finishes. 150, 180 and 220 grit available on request. Sold in 25 yard rolls.
