floorcatalogs.com/eco1

The Carpet and Rug Institute CRI Seal of Approval program identifies effective carpet cleaning solutions and equipment that cleans carpet right the first time and protects a facility's carpet investment.

ECO1 HEPA Backpack

Meets LEEDS requirements

SPECIFICATIONS

- 5.5' Crush proof hose
- 50' 16/3 Gauge Cord
- Static Lift: 115"
- Watts: 1350
- Volts: 120
- Weight: 10.5 lbs.
- Air Flow: 150 CFM

Our new, improved 2-stage motors have 1/3 more motor windings that reduce the RPM but give them more power. An additional fan creates more lift. Higher efficiency draws fewer amps.
