- ABS Polymer Cover and Base Plate

VP6310600
 Fits any vacuum 1 1/2" Hose

NuvoFLEX FLOOR TOOLS

NuvoFLEX's vertical presentation permits access to areas traditional tools can't reach. The extended low profile easily passes under cabinets, shelves and chairs. It also passes into tight spaces between walls, cabinets, desks, chairs and tables, eliminating the need to move furnishing. The tapered profile finds its way under and around electrical, computer, and telephone cords under desks. The patented design allows for an ergonomically comfortable standing position as one cleans, reducing back strain while increasing productivity three fold.
